**BRILLIANCE  
INCLUSIONS**

**AWESOME LIVES HERE.**

# YOU DESERVE BRILLIANCE

# BRILLIANCE INCLUSIONS

Building your home is all about putting you in control; and sometimes that means indulging in a higher standard of fixtures and fittings.

At Neptune Homes we don't do things by halves; our upgraded Brilliance package means a higher standard of awesome is baked in.

Designer touches and premium fixtures all give your home a finish you and your family will love.

# AWESOME ISN'T JUST IN THE NAME

## TRANSPARENT PRICING POLICY

We pride ourselves on open and transparent pricing. When you get a quote from Neptune Homes, you can see exactly what you're getting for your money.

## INDEPENDENT INSPECTORS

We engage an independent inspector, handovers.com on your behalf, to thoroughly check build quality, prior to handover. Rest easy knowing your home has been built to the highest standard.

## 50 YEAR STRUCTURAL WARRANTY

Every Neptune Home is backed by our 50 year structural warranty, so you can rest easy knowing your home is covered.\*

## YOUR PRICE, LOCKED IN

When you accept our price hold guarantee, you will confirm your home price at today's pricing, inclusive of any relevant promotional upgrades.\*

## AWESOME FROM START TO FINISH

Our commitment to providing awesome customer service doesn't stop at handover. We are committed to our 12-month warranty and maintenance period.

## THREE WEEKS FROM CONTRACTS TO COLOURS

You can get straight to the fun part – picking your colours and refining your style – just 3 weeks after signing your contract!

\*50-year warranty is subject to eligibility criteria. Price lock guarantee refers to the cost of associated site works and construction in accordance with the specifications listed in your contract. Neptune Homes reserves the right to amend, terminate or suspend the price lock guarantee without notice.  
\*Price lock subject to terms and conditions. See website for details.

### BRILLIANCE

Maximise your street appeal! Our Brilliance inclusions allow you to tailor your home to the style you want, starting from the outside, in.

\*Door pictured is for display purposes only. Included stain grade entry doors are XN1, XN2, XN5, XN7. Images show upgraded items available at an additional cost including but not limited to landscaping. Image shows upgraded facades, Reef and Cliff, which feature upgraded items. For a complete home quote please speak to a Neptune Homes consultant. See disclaimer for full details.

# STEP INTO OUR STUDIO...

Your Envision Studio appointment is an important and exciting step on the way to building your home. In this appointment you will be selecting the colours and finishes that will create the look and feel of your home.

## THREE STEPS TO DESIGN SUCCESS!

### TILE CONSULTATION

The first step is your appointment with an expert tile consultant, where you will select the flooring for your new home.

### LIGHTING & ELECTRICAL APPOINTMENT

A trained consultant will walk you through your lighting and electrical plan. This is where the beginnings of your new home will come to light!

### ENVISION STUDIO APPOINTMENT

This is where it all comes together! You will visit our Envision Studio, where our bachelor qualified Interior Designer will help you to select the finishes, fixtures and features to make your new house a home.

**SO MANY CHOICES!**

Design a life  
you'll love at our  
Envision Studio

# GUIDE TO THE PROCESS

Building a home can be a daunting (but awesome) process! Here are all the steps you will progress through on your build journey, from your first meeting with your New Home Consultant through to the keys to your new home being placed in your hand!

## PRESITE

### STEP 1 - INITIAL QUOTE

- Your New Home Consultant will match your vision and budget with a Neptune design.
- A personalised quote will be presented to you.

### STEP 2 - DEPOSIT AND PRELIMINARY AGREEMENT

- On approval of the plans and price, you will pay a \$3,000 (non-refundable) deposit.
- Soil tests, a contour survey and preliminary council assessment of your block will be ordered.

### STEP 3 - PRELIMINARY CONTRACT

- You will be presented with your preliminary contract plus a full set of drafted plans.
- Plans and pricing are reviewed and if no further changes are made, this will be confirmed by an acceptance email from you.

### STEP 4 - CONTRACT SIGNING

- Your Housing Industry Association (HIA) contract pack will be prepared and issued for signing.
- After signing your contract and giving authority to progress, we will ask for your first progress payment of 5%, less your initial deposit paid.

### STEP 5 - NATIONAL TILES APPOINTMENT

- National Tiles will contact you to book your tile selection appointment at their Design Centre.

### STEP 6 - LIGHTING & ELECTRICAL APPOINTMENT

- A trained consultant will walk you through your lighting and electrical plan. This is where the beginnings of your new home will come to light!

### STEP 7 - ENVISION STUDIO COLOUR APPOINTMENT

- You will visit our Envision Studio, where our Bachelor qualified Interior Designer will help you to select the finishes, fixtures and features to make your new house a home.

### STEP 8 - BUILDING APPROVAL

- You will be assigned a Customer Service Officer (CSO) to help you through the next stages, including your Building Approval (BA).
- Your CSO will reach out regularly to discuss the progress of BA and steps moving forward.

### STEP 9 - AUTHORITY TO COMMENCE CONSTRUCTION

- Once BA is received you will provide your financial lender with a copy of your BA for processing.
- We will then require a letter from your financial institution called an Authority To Commence Construction or ACC in order to proceed to site.
- Congratulations! Your new home construction is now one step closer to getting started!

## CONSTRUCTION

### STEP 1 - SITE START

- Construction on your new home starts here!
- Your Site Manager will arrange an on-site meeting approx. 2 weeks prior to construction start to introduce themselves and answer any questions.

### STEP 2 - BASE STAGE

- Your block of land will be prepared to build, with temporary fencing installed, site excavation completed and underground connections laid. Base stage is complete once the concrete slab is poured.
- Upon completion of base stage a 15% progress payment is due.

### STEP 3 - FRAME STAGE

- Frame stage is complete once the frame is erected, inspected, and approved by a qualified Building Inspector.
- Upon completion of frame stage, a 20% progress payment is due.

### STEP 4 - ENCLOSED STAGE

- This is a significant milestone, when we can effectively lock up your home.
- Brickwork, wall cladding and roofing is all installed, as well as electrical and plumbing.
- Temporary doors may be hung to ensure the security of your home.
- Upon completion of enclosed stage, a 25% progress payment is due.

### STEP 5 - FIXING STAGE

- At this stage plaster board, cornices, wet area tiles, reveals and architraves will be added.
- Your kitchen and bathroom cabinetry, tiles and carpets are installed will now be installed.
- Upon completion of fixing stage, a 20% progress payment is due

### STEP 6 - PRACTICAL COMPLETION (PC)

- At PC your Site Manager will do an inspection of your home.
- Handovers.com inspect your new home on your behalf to ensure a high standard of quality.
- Your Site Manager will invite you to a walkthrough of your new home.
- The final invoice will be arranged for payment.

### STEP 7 - HANDOVER

- Congratulations! Your new home has been completed and is ready for you to move in.
- On the day of settlement, you will meet your Site Manager at your home for handover.
- Enjoy your awesome new Neptune Home!

### STEP 8 - NEPTUNE SUPPORT & MAINTAINANCE

- Our Neptune Homes Warranties and Maintenance Team are here for you, providing care and maintenance during your 12 month warranty period.

# NEPTUNE HOMES

## FULL DISCLAIMER

Neptune Homes QBCC 1250379

Brilliance inclusion specifications apply for all new home preliminary agreements entered into which nominate a Brilliance level inclusion from 1st August 2022. Brilliance inclusions may vary dependent on home design chosen.

This information is to be used as a guide only and may contain upgrades at an additional cost to the Brilliance Range.

Façade images, illustrations and photographs in this document may depict upgraded items which are not included in the Brilliance Range. This may include but is not limited to landscaping, fencing, driveways, upgraded materials, fixtures and finishes, window furnishings and decorative lights and appliances, which may be available at an additional cost. The images may also depict some items which are not supplied by Neptune Homes such as, but not limited to furniture and decorative items.

2590 ceiling heights apply to single storey and lower level of double storey designs only.

Façade designs and inclusions may vary depending on the home design chosen by the client. Refer to the standard working drawings.

Neptune Homes reserves the right to alter specifications, model numbers, suppliers, promotions, pricing and processes at any time without notice. Selection items shown are subject to availability and are subject to change pending availability.
